## 2021-0040: Allocation Handbook Amendment

Sponsored by: Madeya

Co-sponsored by: Megahed Ramadan, Ruffino, Strathmann, Powers

Recognizing that the Allocations Handbook is a constantly evolving document to maintain the changing nature of Student Governance Council's (SGC) expectations of student organizations.

Drawing attention to SGC Appropriation Committee's mission of helping organizations on campus to fulfill their missions through providing funds.

Understanding that due to the uncertainty of the presence of in-person events in the coming year, funding registration fees would help clubs be able to attend virtual events and conferences.

Drawing attention to resolution 2021-0008: Travel Registration Fees, that allowed SGC to fund registration fees for the 2020-2021 Academic School year.

Drawing attention to resolution 2021-0034: Appropriations Prize Amendment, that allowed student organizations to purchase prizes without limits for programming events.

It is resolved that the following amendment to the Allocations Handbook will become a permanent amendment:

- d. SGC will fund prizes for programming events, as long as all event attendees are eligible to win the prizes.

It is resolved that the following amendment to the Allocations Handbook will become a permanent amendment:

- e. SGC will fund the registration fees associated with registration for travel events for the 2020-2021 Academic School Year. Such purchases will include admission or registration fees to events and conferences.

It is resolved that Article I Section b will be removed from the Allocations Handbook.
