2021-0045: Allocation Handbook Amendment

Sponsored by: Ruffino, Powers, Madeya

Recognizing that initiative 2021-0040 mistakenly applied registration travel funding to the 2020-2021 Academic School year instead of being a permanent amendment.

It is resolved that the following will replace Article VI Section D Subsection b Sub-Subsection i Sub-Sub-Subsection e:

- e. SGC will fund the registration fees associated with registration for travel events. Such purchases will include admission or registration fees to events and conferences.
