Whereas the members of SGA can better serve the student body by continuously being conscious, educated and aware of Human Diversity. Human Diversity defined as race, gender, sexuality, age, and political interest.

Whereas Diversity Peer Educators is a great resource to all students on Ithaca College Campus in regards to Human diversity and creating discussion to educate and foster an environment for inclusivity of the student body.

It is resolved that the members and ex-officio members of SGA actively participate in DPE sessions 3 times a semester during the meeting times that of which will only take up 30 to 45 minutes. This will be pre-planned by the executive board and the Diversity Peer Educators. A session with the DPE's is also to be incorporated during orientation for mutual understanding of the responsibility they have to all constituents.

In addition, be it further resolved that the discussion/activities that will be held by the DPE's be brought back to how to be great leaders for our Ithaca Community and student body in making policies and changes that will benefit the whole student body.
