**Whereas,** Ithaca College strives to foster an environment that values diversity of opinion and background,

**Whereas,** Terrace 03's H.O.M.E. Program accommodates international students in their transition from their countries of origin to Ithaca College and the United States, and also allows them to stay on-campus over school breaks,

**Whereas,** the H.O.M.E. Program broadens the global perspectives of domestic students, MLK Scholars, and Park Scholars.

**Whereas,** because of the new FYRE Housing Policies, Residential Life has not yet determined the H.O.M.E. Program's future after the 2013-2014 school year,

**It is resolved that** Ithaca College Student Government Association formally recommends that Residential Life continues the H.O.M.E. Program in any capacity that retains the current goals of the H.O.M.E. Program after the 2013-2014 school year.
