Whereas, Currently, there are very few places for a student, faculty, or staff member to dispose of any items they wish on the walkways and paths of campus,

Whereas, At times, there tends to be a moderate amount of trash littered throughout campus,

It is resolved that the Ithaca College Student Government Association recommend that Ithaca College implement trash cans in the following areas: Near the stairs in between Holmes Hall and the Library, one by the large clock in the center of campus, near the benches/tables near Dillingham Center, and one on the walkway near the Hammond Health Center.
