**Whereas**, on April 25, 2014, the Ithaca College Student Government Association's Task Force on Diversity and Inclusion held a "town hall" style meeting to discuss the issue of microaggressions as they related to the problems currently existing at Ithaca College,

**Whereas**, during this "town hall" meeting, students were given the opportunity to present examples of microaggressions they witnessed and or committed,

**Whereas**, a majority of the stories shared came from students within the School of Health Sciences and Human Performance,

**Whereas**, the Interim Provost and Vice President of Educational Affairs and former Health Sciences and Human Performance Dean, Linda Petrosino deferred addressing the pressing issue and situation until the Fall Semester of 2014,

**Whereas**, because Linda Petrosino is now the Interim Provost and Vice President of Educational Affairs with Interim Dean of the School of Health Sciences and Human Performance, John Sigg having been promoted from Associate Dean of Health Sciences and Human Performance,

**It is resolved that**, the Ithaca College Student Government Association formally recommends that the administrators, faculty, and staff, in conjunction with Interim Provost, Linda Petrosino and Dean of the School of Health Sciences and Human Performance, John Sigg address and combat the growing concerns and issues brought forth by students regarding microaggressions occurring on campus and any Ithaca College associated events off-campus, while also remaining completely transparent with all students of Ithaca College as to what their plan of action will be moving forward.
