Whereas, it is Ithaca College's responsibility to provide a well-rounded educational experience for all students,

Whereas, many students like to take advantage of the opportunity to study abroad during their undergraduate career at Ithaca College,

Whereas, students may select from Ithaca's satellite campuses, affiliated programs, and non-affiliated programs to study abroad,

Whereas, if a student selects a non-affiliated program, he or she must pay a fee and take a leave of absence with only federal financial aid carrying over for that respective semester,

Whereas, Ithaca College currently has seven affiliated programs,

It is resolved that, the Ithaca College Student Government Association formally recommends to the Office of International Programs to look into establishing more affiliated programs to give students more financially feasible options for Ithaca College students to study abroad.
