Whereas, most, if not, all Ithaca College students have a bank account in their name,

Whereas, for some students, the only way to access funds within their respective account is with an ATM,

Whereas, a majority of the ATMs on campus are currently located near or in Campus Center,

Whereas, students living in the Circle Apartments do not always have easy access to Campus Center at all hours of the day,

Whereas, it is currently an inconvenience to students living in the Circle Apartments to not have an ATM located in the Circles Community Center,

It is resolved that, the Ithaca College Student Government Association formally recommend to the Vice President of Student Affairs and Campus Life, Rory Rothman, that an ATM be added in the Circles Community Center.
