Whereas, there is a Student Athlete Advisory Committee for varsity athletes. The Student Athlete Advisory Committee (SAAC) is a group of student athletes whose goal is to increase involvement in varsity athletics at Ithaca College. In addition to having team-to-team support, IC SAAC aims to increase the fan base for all of our varsity sports teams. Our major project aimed at accomplishing this goal is "BOMBER NATION." We are also actively involved in community service projects throughout the year.

Whereas, Student Government Association strives to represent all of its constituents,

Whereas, Better communication is needed between club sport athletes,

It is resolved that Ithaca College formally recommends to club sports that a Club Sports Advisory Committee be created.
