Whereas, it is Ithaca College's responsibility to provide an inclusive community and opportunities to all students of different ethnic or religious affiliations

Whereas, students should have religiously prescribed food available to them

Whereas, there is no satisfactory and permanent Hallal food option available on campus to Muslim students

Whereas, this makes the observance of religious rules extremely difficult for Muslim students

It is resolved that the Ithaca College Student Government Association recommend that Ithaca College establishes a Hallal Food Station, or Hallal Food available at a certain station in the Terraces Dining Hall.
