**Whereas,** It is Ithaca College's responsibility to provide a safe environment for all students,

**Whereas,** currently, cars are allowed to drive through the pathways surrounding the terrace residential buildings,

**Whereas,** those cars put students walking on those pathways at risk of potential injury,

**It is resolved that,** the Ithaca College Student Government Association formally recommend to the Vice President of Student Affairs and Campus Life, Rory Rothman, all non-Ithaca College owned cars be banned from driving through the pathways surrounding the terrace residential buildings, with the exception of move in and move out days.
