New Business

- **Community Session**
- **Confirmations**
 - Joseph Pescatore (Appropriations)
 - Senior and transferred sophomore year
 - Entrepreneurship minor
 - Already on Appropriations
 - Really enjoyed the opportunity to learn about clubs in such a limited time
 - Provides insight into smaller, niche clubs
 - Helping clubs process and approve their budgets is something they really like
- **Q & A**
 - Noah- How would you say that knowledge and communication have gone in the past couple years?
 - There was a lot more awareness about the process of funding and people were interested in getting the funding.
 - Attracting members and there are more members this year than previous years.
 - Give them the direct link back to Max and anyone else on the committee
 - Maxwell- What in the appropriations would you like to change?
 - Break up the sessions so they are not so long
 - Meeting for 3 hours a week can be a deterrent
 - It would be helpful to run 2 sessions of the committee
 - It would add more members to the committee

- Rishabh motions to approve Joseph to Appropriations, Lili seconds, motion passes 11-0-0
- **Miscellaneous**
 - Microsoft Teams
 - This is where we communicate and organize our meetings
 - All the channels that are not locked are open to everyone. Only the SGC channel is for SGC members
 - Within the teams channels you can always chat and talk. When you @ someone it will explicitly send a message to someone
 - You can @sgc or @everyone only if it is necessary to
 - Grace: When someone puts a message in teams, like and comment so they know that people got the message
 - There is just a chat where you can talk 1 on 1, everyone has a teams account

Continuing Business

 - Take survey in the SGC channel regarding health promotion
- Grace
 - Meeting with Jenna about Canvas and getting people used to canvas and more student awareness
 - How many people used passport on Canvas: 4-13-0
 - How useful was it?
 - Caleb: useful in teaching how to register for courses. Having one day dedicated to teaching how to use Canvas may be helpful.
 - Hannah: Make a homepage regarding Canvas, how to do discussions
 - Noah: Having announcements on Canvas regarding registration and Intercom is a necessity for students and the school
 - Utkarsh: Most of the classes don't show grades which is an issue because students can't see where they need to improve
 - Austin: General system should be "talk to your professor" if struggling with grade
- Grace: want to discuss the privacy setting and how professors can see how long you read an assignment and can they make this more transparent
 - Mandates conflict with faculty academic freedom
- Grace: Faculty are usually open to Canvas feedback.
